

'ELITE – Performance Level' Learn to Compete (Ages 9-17)

LONG TERM PLAYER DEVELOPMENT PROGRAM
60 CLASSES: 90 HOURS TOTAL

The ELITE Performance Level Program aims to continue developing and improving skills in all golf-related competencies, including core fundamentals, game knowledge and on-course playing skills - with an increased focus on the process of developing competitive skills and a tournament temperament. Each competitive experience will provide the opportunity to learn, understand and improve. Competition will continue to be presented as a healthy, natural and fun aspect of sport. Students will build skills in goal-setting, prioritization, decision-making, focus, responsibility, perseverance, resiliency and confidence, which are essential to success both on and off the course.

To attain greater efficiency and consistency throughout the program, the following objectives and expectations are key in 2020: Goal setting and progress evaluation, Individual "Performance Journals" (charting practice plans and improvement goals), Fitness and training, Positive behavior and personal conduct standards, as well as Continued education in Rules, Etiquette and Values of the game. Sub-groups within the program will be set up according to effort, focus, age and skill level.
