

# ‘ELITE - Training Level’ Learn to Golf & Intro to Competition

LONG TERM PLAYER DEVELOPMENT PROGRAM (Ages 8-15)  
40 CLASSES: 65 HOURS TOTAL

The ELITE Training Level Program focuses on developing golf skills, positive self-esteem and confidence on the course. Group classes are socially interactive and include a mix of athletic training, golf fundamentals, golf knowledge and an introduction on how to prepare for competition. Classes offer a balance of technical training, proper practice habits, skills challenges, on-course play, semi-competitive games and a variety of social activities. Participants will be able to earn Order of Merit Points throughout the season and will be welcomed to qualify for our end-of season Junior Club Championship in September.

Classes run up to two times per week in the late afternoon or early evening, with instructors providing a fun, socially interactive learning environment with plenty of positive reinforcement.

By the end of the 6-month session, participants will know the basics of the golf swing, golf rules, etiquette, scorekeeping, and how to prepare for events.
