

2025 Fraserview PAR 3»4 Leagues: Spring/Summer/Fall Program Outline & Schedule

With the generous support of the [Vancouver Park Board](#), the [Fraserview Golf Academy](#) ("FGA") hosts the 2025 Fraserview PAR 3»4 Leagues as an integrated set of FGA Get Golf Ready transition-to-the-course training programs, intended for new golfers who have taken some lessons and now want to learn to **play the greatest game in the world properly** – helping them gain the playing skills, course & self-management training, and on-course experience they need to become **competent, confident players and good golf citizens**.

The 2025 PAR 3 Spring League (April 15 – May 25) & Summer League (July 8 – August 23) each include:

- One preliminary 2-hour group lesson with a PGA teaching professional
 - Full swing & shot making fundamentals
 - Short game & putting fundamentals
 - Two group lesson dates will be offered in the week prior to opening League play (see schedule on p. 2)
- Pre-arranged tee times for 4 League games per week for 6 weeks, alternating weekly between Vancouver's [Queen Elizabeth Park](#) (QE) and [Rupert Park](#) (RP) Par 3 courses (max. enrolment of 12 players per game & 36 players per League roster)
 - One weekly game guaranteed for each registered PAR 3 League player, with all registered players welcome to join up to three games during each week of scheduled League play (if space allows, on a first-come, first-served basis)
 - Players are responsible for their own green fees, clubs & balls
- Pre-game training workshops, focused on specific themes for course and self-management (play safely, at the right speed and with the right mindset)
 - A 30-minute training workshop will be held at the designated course's practice area immediately before each scheduled League game
 - Led by a PGA teaching professional or FGA-trained facilitator, and covering one of the PAR 3 program's four educational elements:
 - ⇒ 1) Pace of Play;
 - ⇒ 2) Safety on the Golf Course;
 - ⇒ 3) Golf Etiquette (i.e. Respect – for other golfers, the golf course, staff, and the integrity of the game); &
 - ⇒ 4) Basic Rules of Golf

Trained FGA facilitators will guide the PAR 3 learning process, supervising the pre-game training workshops and a portion of each on-course game. Participants who complete the Spring or Summer League season—demonstrating understanding and application of the PAR 3 educational elements—will be eligible for the 2025 PAR 4 Fall League.

The PAR 4 Fall League will provide full-size course (executive distance tees) experience and guidance, with four classes arranged weekly at [Fraserview Golf Course](#) through the month of October (dates and tee times subject to course availability, weather conditions and player enrolment). Each PAR 4 League class will include: pre-game warm-up activities; guidance with course strategy & game management; supervised on-course play; and complimentary use of loaner clubs, warm-up balls, and Fraserview's driving range + short game teaching areas during scheduled PAR 4 League classes.
